Match Rules of Play
40 Over Competition
All Divisions

(Revised January, 2018)
THE SPIRIT OF CRICKET

Cricket is a game that owes much of its unique appeal to the fact that it should be played not only within the Laws but also within the Spirit of the Game. Any action which is seen to abuse this spirit causes injury to the game itself. The responsibility for ensuring the spirit of fair play rests with the captains.

There are two Laws which place the responsibility for the team’s conduct firmly on the captain.

A - Responsibility of captains:
The captains are responsible at all times for ensuring that play is conducted within the spirit of the game as well as within the Laws. It is also the responsibility of the captains to hand over the teams with full names of players and the balls no later than fifteen (15) minutes prior to the start of play.

B - Player’s conduct:
In the event of a player failing to comply with instructions by an umpire, or criticizing by word or action the decisions of an umpire, or showing dissent, or generally behaving in a manner which bring the game into disrepute, the umpire concerned shall in the first place report the matter to the other umpire and to the player’s captain, and instruct the latter to take action.

C - Fair and unfair play:
According to the Laws the umpires are the sole judges of fair and unfair play. The umpires may intervene at any time and it is the responsibility of the captain to take action where required.

D - The umpires are authorized to intervene in cases of:
Time wasting
Damaging the pitch
Dangerous or unfair bowling
Tampering with the ball
Any other action that they consider to be unfair

E - The Spirit of the Game involves RESPECT for:
Your opponents
Your own captain and team
The role of the umpires
The game’s traditional values

F - It is against the Spirit of the Game:
To dispute an umpire’s decision by word or action of gesture
To direct abusive language towards an opponent or umpire
To indulge in cheating or any sharp practice, for instance:
(a) to appeal knowing that the batsman is not out
(b) to advance towards an umpire in an aggressive manner when appealing
(c) to seek to distract an opponent either verbally or by harassment with persistent clapping or unnecessary noise under the guise of enthusiasm and motivation of one’s own side

G - Violence:
There is no place for any act of violence on the field of play.

H - Players:
Captains and umpires together set the tone for the conduct of a cricket match. Every player is expected to make an important contribution to this.
Format:
   a. Teams will play Round Robin.
   b. Semifinals: After the preliminary rounds, the four highest seeded teams will qualify for this stage of the tournament.

Promotion/Demotion (not applicable any more):
   a. Promotion will be based on the champions and the final standings of Division II, at the end of the year. Accumulative points of 40 & 30 over competitions in preliminary rounds (excluding play-offs) by each team will be used to compute final standings. Two teams, the winner of the Division II 40-Finals and the teams with highest points in the final standings, will be promoted to the Division I at the beginning of following year. If the team with highest points and the 40-champions are the same, then the 30-Champions, if still the same, next highest points team will be promoted.
   b. In the event of joint winners declared in the 40 Overs, then of those two, the one that finishes higher in the 30 Overs standings (not including playoffs) will be promoted.
   c. If the winner/joint winners of the Division II choose not to be promoted then the next highest placed team/teams in the final standing will be promoted.
   d. Demotions will be based on the final standing of the Division I at the end of the year. Two teams at the bottom of Division I standings with the least points will be demoted to Division II at the beginning of following year.
   e. In the event of three (3) or more teams at the bottom of the Division I standings have the same amount of points, 40 over standing will determine the final standings for the demotion.
